

Dear Batu Aytemiz,

Welcome to safe and healthy international study!

To make the most of your international study experience, you need to manage existing and unanticipated health conditions in faraway places where finding a doctor and explaining your symptoms should not be left to chance. HTH Worldwide brings you the information, assistance and insurance benefits to prepare and protect you as you circle the globe.

This insurance card is proof of insurance for accessing medical care globally for all countries outside of the United Arab Emirates. As proof of insurance and to access care inside the United Arab Emirates an additional insurance card from Green Crescent Insurance Company will be provided by your plan coordinator.

Please take a moment now to register at [hthstudents.com](http://hthstudents.com), using the individual insurance certificate number listed on your identification card below. You can start by accessing our Global Health and Safety databases online and on mobile devices via mPassport:

- Access contracted, profiled, English-speaking physicians in 180 countries outside the U.S. and U.A.E.
- Search over 700,000 physicians, hospitals and clinics inside the U.S. through the Aetna Passport Network in the U.S.
- Translate brand name drugs and medical terms. Is your drug available, and if so, what is it called?
- Find online health and security news and information for more than 300 international destinations
- Print an ID card online through the My Benefits section of the website

If you have any questions about HTH's Global Health and Safety Services or if you need immediate international medical assistance, call +610.254.8771.

Please detach and carry this HTH Worldwide identification card with you at all times. Please note the important emergency numbers on the back of the card.

HTH Worldwide wishes you a safe and healthy academic experience.

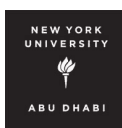

PLEASE CUT ALONG DOTTED LINE AND FOLD IN CENTER
